

Tips and Tricks

Get summarizations and answers to the content you view online

Turn on Page context by going to More options > Notification and App settings at the top of your Bing chat in the sidebar.

Easily explore the web without losing your Chat

When you click citations from the sidebar, your content opens in a new tab in Edge, while keeping your Chat at the side of your screen.

Use Chat to compare options

Chat can compare products right in your sidebar, and can even create a table to help you compare.

Make decisions faster with the sidebar

While Chat can help you compare products, Shopping in the sidebar can help you get the best deal. Learn more about what the sidebar can do.
